1. Subject's father, Raul Kraiselburd, said that appearance in Costa Rica of appeal for information on whereabouts of son was part of family effort taking place throughout latin america and had no other significance. Costa Rican authorities apparently misconstrued appeal to mean that David was in the country. Father said that misunderstanding has been corrected.

2. Mr. Kraiselburd no longer feels that public knowledge of son's U.S. citizenship would be prejudicial to safety. Embassy ///
